

Hazardous Haulers Program

Our Haulers Insurance Program offers comprehensive coverage for most types of hazardous and non-hazardous activities for independently owned and operated waste haulers and recycling operations in both the residential and commercial markets. Our Haulers Insurance Program specializes in insuring the following residential and commercial activities:

Lomax
SOLUTIONS, LLC.

- Trash Hauling Operations • Refuse Haulers
- Construction and Demolition Debris Haulers
- Carting Companies • Sanitation Contractors
- Transfer to Landfill Operations • Portable Restrooms
- Septic Service Companies • Hazardous and Non-Hazardous Waste Disposal
- Transport, Storage and Treatment Operations • Recycling Operations
- Landfill Premises and Pollution • Transfer Stations • Material Recovery Facilities
- Other Hazardous and Non-Hazardous Waste Services Activities
