# UST & AST Coverage

Is your Carrier coming off your underground  
or above ground storage tanks?

We have access to three great markets ready to quote your risk.  
One that's admitted in most states, another that will offer 2 year policies,  
and one that will even write UST's that are 30 years old.

These policies meet the requirements to receive an EPA Certificate of Insurance,  
provided compliance is maintained. Coverage is on a claims made  
basis with limits up to \$2,000,000. Premiums begin at \$500  
Deductible plans starting at \$5,000
