Above or Underground Storage Tank Programs Available

Some Potential
Insured Categories:

Petroleum Marketers
Service Stations
Colleges & Universities
Hospitals and other Medical Facilities
Trucking & Distributing Operations
Fuel Distribution Fleet Facilities and Garages
Any Underground Tank Owner/Operators

Along with a top A Rated Environmental Insurance carrier we've developed a new Storage Tank program developed to provide Pollution Liability coverage for above ground storage tanks and UST's (Underground Storage Tanks) containing petroleum and petroleum related products. This policy meets the requirements for the insured to receive an EPA Certificate of Insurance, provided they maintain compliance.

Coverage is on a claims made basis with Limits up to \$2,000,000
Premiums begin at \$500 Deductible plans starting at \$5,000
